### The secret photo locations of Bisbee, AZ

Join me for a fun filled afternoon in Bisbee prior to the Pinup shoot. Let's find all the hidden locations in Bisbee that make great photo ops. We will end up at the BBC for lunch.

**Sept 24 10 AM - 1 PM**  
Free

### Bisbee Breakfast Club Pinup Girl Shoot

Pinup girl photography is one of the most loved and most difficult to do well. Join John for this exclusive workshop at the Bisbee Breakfast Club.

**Sept 24 1 PM - 4 PM**  
Fee \$50.00

### Lunar Photography, Night, and Long Exposure

Lunar photography 3/4-full moon at Brown Canyon. Plus as an added bonus, night and long exposure photography. This is the hottest form of photography going right now.

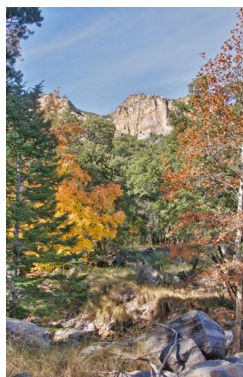

**Oct 11 7PM -10 PM**  
Fee \$20.00

### Pioneers of Carr Canyon

One of the most unique workshops I have offered. Join Rosemary Snapps, noted Carr Canyon historian and me for a day that you won't forget. Set in scenic Carr Canyon the workshop begins with a 40 minute talk by Rosemary on the *Pioneers of Carr Canyon*. Then follow Rosemary and John as we make a 1/4 mile walk on level terrain. Then we will tour her historic homestead. I will cover how to do landscape photography and how to photographically document historical landmarks.

**Oct 29 8 AM-12 PM** Fee \$45.00

### Weekend Workshop Extravagaza

Oct 21 thru 23, 2011 is an intensive, fun filled weekend for anyone desiring to learn photography from the ground up in a relaxed atmosphere. The weekend is filled with 4 workshops that take you from how your camera works to how to shoot like a pro. These workshops are not just listening to someone talk for hours on end. These are hands on where not only do you get to take pictures but have your work evaluated by an experienced professional. These workshops are designed for Beginners thru Intermediate photographers.

**Fee \$185.00**

**Early bird \$150**

### Workshop Description

**Friday 7 PM-10PM** - This famous workshop "understanding your digital camera" is 3 packed hours working with your digital camera. Learn when you need to take it off of **Auto**.

**Saturday 8 AM to 11AM** Join John on one of his most acclaimed workshops. Learn the secrets of photographic composition. This is a must attend for beginning and intermediate photographers.

**Saturday 1 PM - 4:30 PM** Moving out to Brown Canyon Ranch, join John and three of his professional models, and learn all about posing for portraits, and landscape photography. You must have attended "Understanding your camera" and "Composition" to attend this workshop or John's permission.

**Saturday 7 PM - 10 PM** Whine and Cheesy Portfolio review. Join John and the other attendees for wine and cheese while John reviews what you did at the afternoon session, and believe me there will be a lot of Wine and Whining. Note: no one under 21 can attend this function.

**Sunday 8AM to 11AM** To end the photographic workflow and the workshop, John will walk you through the steps during post production. See how he determines which shots to use, what techniques he uses to get those amazing shots.
